**Amendment To Setworks for the 2013 and 2014 Senior Certificate Examinations**

Dear Learner

It has most recently been brought to our attention, that the Department of Basic Education has altered the structure of the Provincially Prescribed Literature Titles. These titles have been replaced with those on the current **National Senior Certificate**. (*Please see the list attached with your new titles.*)

You may have already purchased or found access to these titles in your province, that you will now have to replace where it is applicable. We apologise profusely for the inconvenience that may be caused by this sudden amendment to the titles. Please bear in mind that the Department of Basic Education administers the final examinations. The College is therefore compelled to effect these changes based on this official directive from the Department of Basic Education.

We therefore urge you to please access these titles as soon as possible in preparation for your next examination sitting.

We would like to wish you every success for the upcoming examinations in 2013 and 2014. Please do not hesitate to contact us for further clarification on 0860 41 41 41.

Kind Regards

The High School Division.
