DCC’s Learning Opportunities

DCC caters for a wide variety of learner needs. This means that we offer both formal and non-formal programmes. It is important that you understand the type of programme for which you are enrolling.

Damelin Correspondence College offers you the following learning opportunities:

**National qualifications** are credit-bearing qualifications registered on the NQF and accredited by a Quality Assurance Body, such as a SETA. A skills programme is an accredited component of a national qualification. An example of a National Qualification offered by DCC is the National Certificate in Bookkeeping, NQF Level 3, SAQA ID 58375, accredited by FASSET.

**DCC Provider Programmes** are DCC’s vocational certificates and diplomas that enhance your skills and improve your career opportunities. Provider Programmes are not linked to the NQF, but they are in high demand and carry the approval of the DCC Academic Board. An example of a DCC Provider Programme is the DCC Certificate in Professional Secretary.

**Agent Programmes** are programmes for which DCC offers tuition, but where DCC does not issue the final certificate. The agent body issues the final certificate and manages the final examinations. An example of an Agent Programme offered by DCC is the Microsoft Office User Specialist (MOUS) programme.

**Continuous Professional Development (CPD) Programmes** are short courses that help you add to your current professional knowledge in a particular field, and hence boost your abilities within your career. An example of a DCC CPD programme is the DCC Short Course in Conflict Management.

**Orientation Programmes** are short courses that introduce you to a particular field or career, and that offer you the opportunity to explore an interest or skills set without having to enroll on a full programme. An example of a DCC Orientation Programme is the DCC Short Course: Introduction to Radio Broadcasting.

**Self-employment Programmes** were designed to refine your skills in a particular field of interest, to teach you how to make a living from a particular skill, interest or hobby, and to help you start your own business. An example of a DCC Self-employment programme is the DCC Diploma in Computerised Bookkeeping.
Why Choose Damelin Correspondence?

**Employer Credibility**
Today’s job market is highly competitive, particularly for young people who are seeking their first job. In this environment, the most valuable asset that a job-seeker can have is a relevant qualification from an acclaimed and respected institution. Students can rest assured that, with over 40 years’ experience in preparing students for employment, and branches in most major cities, Damelin has an unrivalled reputation as an educational institution. Every employer knows and respects the calibre of Damelin graduates.

**Flexibility and Commitment to the Student**
Studying by correspondence has several advantages over attending classes at a campus:

- Students can register at any time of the year.
- Students can learn at home, according to a convenient schedule, without having to incur the cost and inconvenience of travelling to classes at fixed times.
- Students can continue to earn an income, while studying outside of working hours at home.
- Students have access to highly qualified and experienced Damelin tutors who can provide quick feedback by giving detailed comments on assignments, and can provide telephonic tutorials on a one-to-one basis.
- Students can engage with study material that is divided up into logically sequenced, manageable units, which form part of an integrated and sound learning process of introduction, reinforcement and review, interspersed with student-centred exercises.

**Career Counselling & Development Service**
Students are encouraged to make use of Damelin’s free educational counselling service. Students can contact the Damelin Correspondence College Call Centre by telephone for referral to a Career Counsellor, or to make a personal appointment. Alternatively, students can e-mail queries to the College.

The Career Counsellor can assist students in choosing a career. He or she can also provide additional academic support (such as study skills, tips for writing assignments and pre-exam techniques, life skills, time-management, coping with stress, and more), or can simply provide job-searching techniques.
Providing for Students with Disabilities or Audio Needs
Damelin seeks to provide students who have disabilities with every opportunity to participate fully in the College. When registering, students are invited to disclose any disabilities that they may have, and to indicate any individual support or special examination arrangements that they may need. Students are also welcome to contact a Damelin Student Consultant for further information. In addition, students with disabilities are invited to discuss their particular needs with the Career Counsellor, who is available to assist with personal, academic and career choices.

Students who experience difficulty in studying from printed material, for whatever reason, are encouraged to contact the Education Desk of Tape Aids for the Blind, to arrange for printed material to be transferred to audio.
Phone 031 309 4800.

Admission requirements – Recognition of Prior Learning
Damelin Correspondence College applies the South African Qualification Authority’s (SAQA) policy of recognising prior learning. Therefore, if students do not meet the admission requirements of a particular learning programme, as stated in the entrance requirements for each course, they should contact the College to evaluate their prior learning and experience and decide if they can gain admission to the programme of their choice.

The Damelin Correspondence College Business Learning Programmes

**General Business Studies**

Damelin Correspondence College has played a major role in business education and training for over 40 years. The College provides high quality training for those who need hands-on skills to advance their careers in the South African business world.

Damelin Correspondence College’s General Business Studies division offers a wide range of learning programmes such as provider programmes, accredited qualifications and programmes by various external agents. For agent programmes, Damelin Correspondence College acts as the educational agent, on behalf of the external bodies.

**Admission Requirements**

It is important that a student’s choice of learning programme is based on his or her current level of education and experience. It is often detrimental to study success if a student registers for a programme for which he or she doesn’t have the necessary educational background. It might also prove a blow to the student’s self-confidence. Therefore, we urge students to take a conservative, realistic approach, and in so doing build a solid foundation for further study.

We have outlined, in this prospectus, the admission requirements for each programme. However, if students have any doubts about admission requirements, they are encouraged to contact a Damelin Correspondence College Student Consultant, who will be able to answer any queries.

**Assessment methods**

Internal assessments can be portfolios of evidence or assignments based or written exams.

External assessment consists of assignments and written exams per subject. These are set and managed by external assessment bodies (such as ICB - Institute of Certified Bookkeepers or IBS (Institute of Business Studies).

National qualifications assessments consist of portfolios of evidence (formative and summative assessments)

**Awards**

Upon successful completion of all the applicable assessment requirements as stated in your study material you will be awarded the relevant award.
Professional Institute Programmes
As we have already mentioned, Damelin Correspondence College offers a selection of programmes that are accredited and externally examined by professional institutions. These professional institutions are:

- the Institute of Business Studies (IBS);
- the Institute of Certified Bookkeepers (ICB).

Details of the programmes concerned can be found in this prospectus.

Damelin Correspondence College Business Career Courses
Most of the Damelin Correspondence College business accreditations form part of structured career programmes. In order to advance through a programme, a student must complete his or her chosen subjects at consecutive levels. Alternatively, students may obtain exemption from given subjects on the basis of their prior learning or experience.

The programmes offered by Damelin Correspondence College’s Business Group are examined programmes. The completion of each programme is rewarded with a full outcomes-based accreditation.
To take advantage of the many opportunities that exist in the field of clerical administration, the student needs to have a thorough understanding of modern business procedures and principles.

Damelin Correspondence College offers three learning programmes that will equip students with the necessary skills and knowledge to enhance their careers in the corporate world of business or clerical administration:

- Damelin Correspondence College Certificate in Clerical Administration;
- ICB Office Administration Programme.
- Business Administration Certificate.

Successful graduates will be equipped to take responsibility for administrative tasks in business, and for performing certain support activities for management and professional personnel.
Career Prospects

Damelin Correspondence College offers students the perfect opportunity to advance their careers in the corporate world. The Certificate in Clerical Administration is designed particularly for those students who weren’t able to complete their matric, and want to enter the corporate world. The learning programme comprises five subjects, four of which are compulsory for the core of the learning programme, while the fifth is an elective subject that is dependent on the student’s choice of specialisation. Once students have successfully completed this Certificate, they will be ready to register for the Damelin Correspondence College Career Learning Programme of their choice. Those students who progress to the Damelin Correspondence College Career Learning Programme after successful completion of this Certificate may be exempted from further study of the elective subject.

Programme Type

The Clerical Administration programme is a Provider Programme.

Admission Requirements

A Grade 10 (Std. 8). (If students wish to register on the learning programme and do not meet the minimum admission requirements, but have three years’ relevant work experience, they should call their nearest Damelin Correspondence College branch to discuss the prospects for their entrance to the learning programme.)

10 Steps to Success

The accomplishment of any important goal in life requires two things: a plan, and a commitment to keep to that plan! What follows is a simple 10-step process that will guide you to achieving success in your chosen Damelin programme, therefore bringing you one step closer to the career of your choice, or the advancement that you aspire to.

**Step 1**
Choose the programme that best suits you:
- Identify a career that best suits your natural interests and abilities.
- Choose a learning programme that is relevant to your chosen career, and for which you are able to meet the entrance requirements.

**Step 2**
Fill in your registration form. (You can phone one of our student consultants on 0860-61-61-61 to assist you in filling out the form.) Then send your completed registration form plus the certified copies of the relevant support documents to meet the entrance requirement of your chosen course to Damelin by:
- Posting it to Damelin Correspondence College, P.O Box 31001, Braamfontein, 2017, OR
- Taking it to your nearest Damelin office.

**Step 3**
Once the academic process has been successfully completed decide how you wish to pay for your studies:
- You may pay the full fee in cash (which will save you interest charges), or on terms over an agreed period.
- You may choose to register now for the complete learning programme, even if you plan to do only some of the subjects this year, and the rest later. This will save you money in the long run.

**Step 4**
Once you have registered, Damelin will send you your first study pack containing the following:
- Your Student Card, which identifies you as a student wherever you go;
- Your Damelin Study Notes, which have been designed to make you feel as if you have your own personal teacher;
- Your Information Guide, a summary of important details;
- Certification Road Map, which tells you how to enter for your examinations;
- Your Personal Study Programme, which shows you the study units or items that you will need for each subject that you are studying; and
- Your Assignment Covers and Envelopes, to make it easy for you to send in your assignments and queries to the College.
10 Steps to Success

Step 5
Decide on the study times that best suit your lifestyle. Then work out your own study timetable. Try to keep to your timetable! It is very difficult to catch up when you have fallen behind.

Step 6
Get down to the serious business of studying. The notes have been designed to take the place of a class teacher.

Step 7
Complete regular assignments to check how you are doing.
- Continuous assessment is an essential feature of distance learning. Our study material contains numerous self-assessment exercises, to help you to make sure that you are in control of your work at all times.
- At the end of each module, there is a progress assignment which you can complete and send to the College for marking and/or model answers.

Note that the assignments are not compulsory, for examinable courses, and you can register for exams when you are ready.

Step 8
Enter for the examinations
- Follow the instructions on your Certification Road Map on how and when to enter for your examinations.
- Remember that it is your own responsibility to register in time for a particular examination sitting.

Step 9
Write the examinations
- You will enter the examination room knowing that you have done the very best preparation that you are capable of, and you will face the exam paper with confidence.

Step 10
Qualify for your award
- Join the thousands of successful past students of Damelin Correspondence College who are making a success of their careers.
