NSC GRADE 12 EXAMINATIONS

Dear Learner

This letter contains important information about your internal and external examinations for the year. If you fail to register for your external examinations with the Department of Education, you cannot be resulted for the grade at the end of the year.

You are required to take these two important steps regarding exam registration:

- **STEP 1:**
  By 15 February 2013 you must submit your exam entry form for **INTERNAL Examinations** (including controlled tests, midyear and mock exams).

  You need to download the form “Grade 12 Control Test Invitation” from www.dcc.edu.za/general_info/examinations_information (High School Exams). Please email the completed form to highschoolexams@icg.edu.za or fax to 086 510 7788.

- **STEP 2:**
  By 28 February 2013 you must ensure you have registered with a school or the Department of Education office (not Damelin Correspondence College) for **EXTERNAL Examinations** that will be written in October/November 2013.

  Please inform the College where you have registered for your external examinations – using the form on p.7 below.

  The information on the following pages is to assist you with STEP 2.

For enquiries about the following procedures please contact our High School Team on 021 417 6784.
