**REGISTRATION FOR 2016 DEPARTMENT OF EDUCATION
NSC GRADE 12 EXAMINATIONS**

Dear Learner

This letter contains important information about your internal and external examinations for the year. If you fail to register for your external examinations with the Department of Education, you cannot be given your results for Grade 12 at the end of the year.

You are required to take these two important steps regarding exam registration:

- **STEP 1:**
By 12 February 2016 you must submit your exam entry form for the **INTERNAL examinations** (including controlled tests, and mid-year and mock exams).

You need to download the form 'Damelin Grade 12 Exam Control Test Invitation – 2016' from www.dcc.edu.za Please email the completed form to dcchighschool exams@damelin.edu.za or fax it to 086 676 9154.

- **STEP 2:**
By 07 March 2016 you must ensure that you have registered with a school or with the Department of Basic Education office (and *not* with DAMELIN College) for the **EXTERNAL examinations** that will be written in October/November 2016.

Please inform the College where you have registered for your external examinations, using the form contained in this document.

The information on the following pages has been provided in order to assist you with STEP 2.

For enquiries about the following procedures please contact our student services department on 011 712 2556.
