Programme Types offered at Damelin Correspondence College (DCC)

1. National Qualifications are credit-bearing qualifications registered on the NQF (National Qualifications Framework) and accredited by a Quality Assurance Body, such as a SETA (Sector Education and Training Authority). A skills programme is an accredited component of a National qualification.

2. Agent Programmes are programmes for which Damelin Correspondence College offers tuition, but where DCC does not issue the final certificate. The Agent Body issues the final certificate and manages the final examinations.

3. Damelin Correspondence College Programmes are DCC's own programmes that are not linked to the NQF and are not credit-bearing. However, they are in high demand and carry the approval of the Damelin Correspondence College Academic Board.

Damelin Correspondence College Programmes fall into four categories:

• **Damelin Correspondence College Career Programmes** are DCC's own programmes that are designed to teach you the skills and knowledge to succeed in a particular career.

• **Damelin Correspondence College Continuous Professional Development (CPD) Short Courses** are courses that help you add to your current professional knowledge in a particular field, and hence boost your abilities within your career.

• **Damelin Correspondence College Orientation Programmes** are short courses that introduce you to a particular field or career and that offer you the opportunity to explore an interest or skills set without having to enrol on a full programme.

• **Damelin Correspondence College Self-Employment Programmes** are designed to refine your skills in a particular field of interest; to teach you how to make a living from a particular skill, interest or hobby, and to help you start your own business.
