Dear learner

REGISTRATION: NATIONAL SENIOR CERTIFICATE GRADE 12 EXAMINATIONS – DEPARTMENT OF BASIC EDUCATION

Deadline for registration

If you are planning to write the Grade 12 National Senior Certificate (NSC) examinations in October/November 2011, you must be registered for these examinations with the Department of Basic Education by **11 March 2011**.

Examination administration fee

The examination fee for the subjects that you wish to register for must be paid to the examination centre *on the day that you register*, unless otherwise negotiated with the examination centre. The examination centre will determine the fee per subject (to a maximum of R350 per subject) for the administration of the external Grade 12 NSC examinations.

What to take when you register

You must take the following items with you when you go to the examination centre to register (by 11 March):

- a certified copy of your Grade 10 and Grade 11 report, *or* a certified copy of your Grade 12 Statement of Results; This must be attached to your registration form;
- a certified copy of your identity document;
- the letter enclosed with this communication if you are a Grade 12 candidate who has to complete CASS/SBA for the subjects for which you are enrolled; this must be attached to your registration form;
- your student number, so that you can be identified as a learner who is enrolled with the College; and
- a black pen to complete your registration form.

Exam centre/s at which you can register

The following examination centre/s will accommodate Grade 12 NSC candidates who are enrolled with the College:

Province	Venue	Address
Eastern Cape	Ikhala College	Corner of Jong & Somerset Street; Aliwal North
	Alphendale Secondary School	27 Alphen Road; Alphendale
	PE College - Iqhayiya	Struanway

Alternative registration process via the DoE District office

If it is impossible for you to travel to any of the examination centres listed above or if none of the centres can accommodate you (as so many other learners have come to register before you), then you have to follow the process below:

- Go to the nearest Department of Education office (DoE district office) that is closest to you. Tell them that you are a National Senior Certificate Grade 12 part-time candidate who wants to register for the National Senior Certificate Grade 12 examinations.
- Ask the DoE official to direct you to an examination centre that will accommodate you as a part-time Grade 12 NSC candidate.
- Ask the DoE official whether the examination centre to which they are directing you will have the *examination registration form* that you will have to complete – if not, be sure to ask the DoE official to give you the registration form to complete, before you go to the examination centre where you will hand in your completed registration form.

Filling in your examination registration form: indicating with/without CASS/SBA

If you are a Grade 12 candidate who is enrolled for subjects for which you must do continuous assessment (CASS)/school-based assessment (SBA), then you must indicate this on the examination registration form. In other words, you must register for the subject/s **with** CASS/SBA.

If you are a repeat Grade 12 candidate, in other words, if you are re-doing a subject/s for which you already have a CASS/SBA mark, then you must indicate on the registration form that you are a part-time/repeat candidate who is doing this/these subject/s **without** CASS/SBA.

The CASS/SBA mark for a repeat candidate is valid for 2 years from the time that the candidate first wrote the National Senior examination for a particular subject.

Letter for learners enrolled with CASS/SBA

If you are a Grade 12 candidate who has to complete the CASS/SBA component for the subjects for which you are enrolled, then you must present the examination centre with the letter that we have included with this communication. This letter explains that the College will take responsibility for CASS/SBA, and that the examination centre *will not* take responsibility for CASS/SBA. If you are a repeat candidate who already has a CASS mark, then you will not need this letter; you will simply register.

Verification that you passed Grade 10 and Grade 11

The Department of Education will do a verification check to ensure that you have passed Grades 10 and 11 before they register you for the Grade 12 external examinations. If they establish that you did not pass Grades 10 and 11 *separately* before you were promoted to Grade 12, then you will not be registered for the Grade 12 National Senior Certificate examinations.

Responsibility of examination centre

The examination centre will only be responsible for:

- receiving the completed registration forms from learners; and
- the administration of the examination process when the examinations are being written.

Responsibility of the College

The College will be responsible for everything else, including continuous assessment (CASS)/ school based assessment (SBA) relating to your studies. You must contact the College (and *not* the examination centre at which you will be writing the Grade 12 National Senior Certificate examinations) for any queries relating to your Grade 12 studies.

Should you require further clarity, please contact our High School Administrator on 021 417 6983.

Yours sincerely

Exams Department
